ILLINOIS COMMERCE COMMISSION

ILL.C.C. No.4

22nd Revised Sheet No. 1

Cancelling 20th Revised Sheet No. 1

CONSUMERS GAS COMPANY

Applies to all Territory served by CONSUMERS GAS COMPANY

RATE 1 - RESIDENTIAL GAS SERVICE

AVAILABILITY

This rate is available only to customers who use gas for domestic purposes. Service will be provided under this rate to a combined residence/business located in a single building only when the domestic use is clearly predominant.

MONTHLY RATE

*Customer Facility Rate:	\$17.29 per Meter per Month
*Rate for all Gas Delivered:	\$1.592 Per Dekatherm Net

GAS CHARGE AND REFUND ADJUSTMENTS

The application of gas charge and refund adjustments are to be determined as set forth in detail on Rate Schedule Ill.C.C.No. 4, Sheets 4 through 8.6.

LATE PAYMENT CHARGE

Any account not paid in full 14 days after a bill is distributed in the case of nonresidential customers, or 21 days in the case of residential customers, will be subject to an additional charge of 1-1/2% per month on any amount due and owing, except that amounts owing on Federal, State, County, Township and Municipal governments including school districts will not be assessed until 45 days after a bill is distributed. State of Illinois accounts will be governed, where applicable, by the provisions of "An Act to require prompt payment by the State of Illinois for goods and services," as amended.

The assessment of a late payment charge will be waived one time per twelve month period for customers of record or from the date service is initiated for new customers. However, if the amount on which the late payment charge was waived remains unpaid 30 days after its due date then the late payment charge will be reinstated.

CONSUMERS GAS COMPANY

Applies to all Territory served by CONSUMERS GAS COMPANY

**3. MAIN AND SERVICE INSTALLATIONS**

**3.1 Regular Installation:** The Company will install main and service lines to the property occupied by the customer applicant in accordance with the following.

**3.1.1 Free Length of Main:** Where main extensions are required to provide service the free length of main extension shall be in accordance with 83 Illinois Administrative Code 501 "Standards of Service for Gas Utilities."

**3.1.2 Service Lines:** The Company will install normal service lines not exceeding 75 feet in length from the main to the meter setting at its own expense. Any service pipe required beyond the 75 foot free service length will be installed by the Company at cost, at the customer's expense.

**3.1.3 Payments and Deposits:** Any payments or deposits required of the customer shall be made prior to the installation of any facilities in question.

**3.2 Special Installations:** Special installations for industrial or unusual applications shall be made by individual contract as required.

**3.3 Relocations:** Where relocation of a service connection, or of other equipment of the Company, installed upon the customer's premises becomes necessary because of the customer's requirements, the cost of all changes made necessary thereby shall be borne by the customer.

**4. METERING EQUIPMENT LOCATION**

The customer shall provide, free of expense to the Company and close to the point of service entrance, suitable space along with free access thereto for the installation of the Company's regulating and metering equipment. The customer shall permit only authorized agents of the Company, or other lawfully authorized persons, to inspect, test or remove the same. If the meters, pressure regulators or metering, pressure and regulating equipment are enclosed in any manner or are damaged or destroyed through the neglect of the customer, the cost of necessary repairs or replacements shall be paid by the customer.

CONSUMERS GAS COMPANY

Applies to all Territory served by CONSUMERS GAS COMPANY

**6.4 Test of Meters, Measuring Equipment Inaccuracy and Failure:** The accuracy of the Company's measuring equipment shall be verified by the Company at reasonable intervals, and, if requested, in the presence of representatives of the customer all in accordance with the requirements of 83 Illinois Administrative Code 501. The quantity of gas delivered hereunder during periods when measuring equipment is out of service or registering inaccurately shall be estimated in accordance with 83 Illinois Administrative Code 501.

**7. POSSESSION OF GAS**

As between the Company and the customer, the Company shall be deemed to be in control and possession of the gas until it shall have been delivered to the customer, after which the customer shall be deemed to be in control and possession thereof. The point of delivery shall be the outlet of the meter or the connection to customer owned piping, whichever is further from the Company main.

**8. CUSTOMER'S PIPING AND UTILIZATION EQUIPMENT**

The customer shall install and maintain gas piping, venting and appliances all in accordance with the latest revision of the "National Fuel Gas Code" which is NFPA 54 (ANSI Z2213.1). The Company shall not be obligated to inspect piping and equipment of the customer for approval but may reject unsafe conditions.

**9. ACCESS TO PREMISES**

The properly authorized agents of the Company shall, at all reasonable hours, have free access to the premises of the customer for purpose of initiating, maintaining, interrupting or discontinuing service; reading of meters, inspection of metering equipment and all other equipment relating to the Company's service; and installing, repairing or removing the Company's meters or other property and equipment.
